Hello Joe,

I am glad we spoke this morning about the March 1 Bout Agreement. As discussed, we need to revise Section 8 of the Bout Agreement and the "Bout Date" definition in the Term Sheet to state that if the fight does not take place on March 1 (for any reason other than a delay caused by Andrei), UFC will not be entitled to reschedule the fight during the six month rescheduling period and Andrei's obligations under the Promotional and Ancillary Rights Agreement will be deemed fulfilled. As you are aware, as of March 1, it will have been almost a year since Andrei's last fight (as compared to the prior 12 month period in which he fought 4 times). It is extremely damaging to Andrei's career to be shelved for such a long period of time and he can't sign an agreement that could conceivably result in an additional 6 months without a fight. Please make the appropriate revisions and resend the agreement to us for our attorney's review. Alternatively, let me know if you would like our attorneys to provide the revised version. Thank you for your understanding.

Sincerely,

---
